Yes, I will be participating - won't be able to attend every session but I know that John is over there right now and plans to spend the week there. I am going to head over the meeting now but will definitely attend the Subsistence, TEK, and Socioeconomics sessions. I will share with you what I hear. As far as I understand the Pebble Team retreat has been rescheduled, we are not meeting on December 8th, have not heard a new date yet.

Thanks! Tami

I just received this email about the Pebble Partnership Agency & Technical Working Group meeting this week. John/Patti/Tami - did you know about this meeting and are you planning to participate? I am already booked this morning, otherwise I would have liked to hear the Update. However I am available to listen to the presentations on Subsistence & Traditional Knowledge and Socioeconomics on Wednesday afternoon, if that is all right with the Pebble Team. Let me know what you think. Thanks -
